

# Keepsake Decorated Pillowcases

Everyone loves seeing day-brightening messages and pictures, so why not gift families with a keepsake pillow case with these day-brightening pictures and messages! Seeing the love that someone put into decorating the pillow case will show our guests that they are thought of and supported. Additionally, this keepsake will serve as a comforting reminder of the support and love they received while they were in Rochester. Help brighten the day by decorating one or more pillow cases! Purchase any standard size (non-zippered) pillow case(s) in any quantity and fabric markers to decorate.

*Ideas for drawings and messages on cases:*

We encourage you to get creative with your pillow case(s)! Think about what you yourself would love to have waiting for you as you crawl into bed after a long day. A few ideas to get you started, feel free to keep it simple or be as artistic as you wish!

*Please Remember:*

- Out of respect for the wide-ranging religious and spiritual beliefs of our guest families, we ask that messages and designs on pillow cases not be religious in nature.
